

For better or worse
(Well I dont know)
But Ill keep playing those cards
Face down and no chances known

And don't say a word
Hush...your heart voice (within sounds)

For better or worse
The road is dark or bright ahead
At mercy of the stars
At the will of transparent water streams

Stay intact (flashed)
By the unknown colors of the dark matter

For those who won or have lost
Breath the sound of the energy ahead

There will always be changes
Just flip your head (a good worm knows

Thousands of years there
and in some cases even no head haha)

For better or worse
Supermarkets have lost their trails
Toys wrapped inside their boxes
watch the horizon with reduced coins at shine

And do not hurry up
Wave me your hand while we are caught in radio-waves

For better or worse
Canvas painted in the air do not look ahead the same...
